

# Supplemental Type Certificate

Number SA2783WE

This certificate, issued to Fairchild Stratos Division

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See T.C. Data Sheet A20WE)

Original Product — Type Certificate Number: A20WE  
Make: Boeing  
Model: 747-151  
747-251B

Description of Type Design Change:

Installation of wheeled refrigerated module P/N 73014000-101 in accordance with FAA sealed Fairchild Stratos Drawing List ER 73014-1.

Limitations and Conditions:

The approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 13, 1973

Date issued:

Date of issuance: November 1, 1973

Date amended:

By direction of the Administrator

Wallace M. Frei
